

## Welcome to Camp Arnes

We are super excited that Summer 2025 is fast approaching! Camp's humble beginnings were a few tents and the hope that we could provide a place where people could enjoy God's beautiful creation while growing in their faith. Each summer is a special privilege to share as we open the camp up to new/returning youth. We are building off of last years theme of Jesus' life where we studied about how He grew in wisdom and stature, and in favour with God and with people.

This year we are exploring the great commission through our theme *CALLED*. We want to continue sharing the Gospel message, but also explore what does life look like beyond accepting Christ into our lives as we look to live that out through practical means. We invite you to come and join us at Camp Arnes for Summer 2025 to hear about and experience the growth that God has planned for you.

## CAMPERS OF ALL AGES

Camp Arnes is large enough to host eight year olds in one part of camp and teenagers up to 17 in another. Everyone is receiving the program, trained staff and fun that is specific to their age range. Send your kids together and get a week to yourself! Maybe send the neighbours or cousins too! There's room for everyone to join the fun as we explore the greatness of God's Creation in the outdoors!

### **“Hey... I’ve been there.”**

If you've ever been to Camp Arnes, you know how special it is and likely felt the urge to return. Whether you attended with your school, took swimming lessons in our indoor pool, or enjoyed a group retreat, you created lasting memories at one of Manitoba's exceptional outdoor educational facilities and summer camps.

To keep the spirit of Camp Arnes alive and thriving, we need your support. Your contribution—whatever you can give—will help us revitalize our indoor pool, build new facilities, and enhance activities for everyone. If each of our supporters contributed \$75 a month for a year, we could ensure that Camp Arnes remains a cherished destination for generations to come. Let's continue spreading joy and hope together!

## **JOIN US AT CAMP**

#### **PEOPLE POWER**

Many people that have been to Camp Arnes ask how they can support camp. Camp is a big place. If you have a specific skill and would like to contribute, we sure could use your help! Plumbers, Electricians, Cooks, Landscapers, Chainsaw specialist! Whatever skills you have, we could use them. Please touch base with our volunteer coordinator and lets connect! [volunteer@camparnes.com](mailto:volunteer@camparnes.com).

#### **SUPPORT**

When people talk about supporting camp they mostly consider a financial contribution. You can support camp in many unique ways. Donations of products, food, equipment, or materials. Almost anything can be used at camp. If we can't use it we can almost always turn it into money. In most cases a tax receipt is possible. If you have a unique idea on how to support camp, please reach out to Jim at 204-803-5115. We would love to connect.

#### **SHARE YOUR STORY**

If you have a story about camp, please share it. The most powerful advertisement is word of mouth. Your experience is unique, and it may encourage someone to go find their own summer story! Contact Marketing via email at [marketing@camparnes.com](mailto:marketing@camparnes.com)!
